Summary

I'm Hime Utsumiya. I've always felt safe in my Brain Powerd,
Hime Brain.

- A translation of [En sécurité dans mon Brain Powerd](#) by [MiaQc](#)

I'm Hime Utsumiya. I've always felt safe in my Brain Powerd, Hime Brain. I've never tried to understand why. Probably because the organic machine and I have a connection. I witnessed its birth and the special Antibody chose me. It's no more complicated than that. I often sleep in it and sometimes I can hear Hime Brain breathing. One day, I even heard a sound like a heartbeat. It wasn't mine. Brains Powerd are truly alive.
